Agenda- - HIC FS meeting n°2-

Budapest, HUNGARY, May 2014

DR. TÖRÖK BÉLA ÓVODA, ÁLTALÁNOS ISKOLA, SPECIÁLIS SZAKISKOLA ,

Creation of part two of the common guide about family support

WORKSHOPS

Workshop1 **CONCEPTS** (21) *Irena leader?*	Workshop 2 **PRACTICES** (21/22) *Gabriela leader?*	Workshop 3 **EXPERIENCES** (22/23) *Catherine Y leader?*
Content : 1. Re read and validate the definitions of the concepts 2. Think and decide to whom the concepts will be addressed = the target group (professionals, users, both? others?) 3. Think and decide how the concepts will be presented = illustrations ? 4. Think and decide on which media the concepts will be accessible = leaflet, website, ...	**Content**: 1. Remind that in meeting 1 Ro/Croa/Hu presented their practices and professionals of family support but France didn't 2. Listen and make the synthesis of the French presentation 3. Each country should have made its own synthesis about its practices. If not, let time to each country to do it 4. Make the global synthesis	**Content**: 1. Remind that in meeting 1 we had 7 testimonies 2. Listen to Mr Alary and Mrs Alary testimonies and let time for questions and exchanges between Mr Alary and participants 3. With the help of the psychologists from Buda makes and presents a synthesis of testimonies 4. Organize a debate with and between parents and professionals about family support
Finality : concepts are listed and defined to better understand words linked to family support and to make sure that everyone has the same meaning In the end of the workshop you should have answered to questions 2.3 and 4 and maybe proposed a model?	**Finality** : recommendations about practices of family support should be made (the relevant ones already existing and new ones maybe) In the end of this workshop you should have a list of recommendations of good practices	**Finality** : recommendations about practices of family support should be made thanks to parents' views and propositions In the end of the workshop you should have all parents' testimonies in a synthetic document and record of debates
